

## COVID-19 PROTOCOL FOR CLIENTS & SUPERVISEES

Linda Bishopp Psychotherapist, Counsellor, Supervisor & Healer

Your Name .....

Date .....

### Prior to our appointments:

- Should you have any of the following symptoms/occurrences during the 7 days before our appointment please inform me and we can re-book:
  - Fever, cough, shortness of breath, persistent pain in the chest, loss of taste of smell, nausea or vomiting, sore throat.
  - If you have tested positive for Covid-19
  - If you have been in contact with people that are infected, suspected or diagnosed with Covid-19.

*If you are classified as highly vulnerable, I will be unable to see you face-to-face. We can work on Zoom or on the phone.*

### At the time of our appointment:

- My gate will be open. Please text me if I am not waiting at the door for you. I will come and open all the doors – please do not touch them.
- Please take your shoes off in the porch and ensure that you are wearing socks or slippers to enter the building.
- There will be anti-bacterial hand wash available on entry, please use it as you come in.
- I have an easily cleanable chair for you that will be cleaned between clients.
- Please bring water and tissues with you. These will not be supplied for now.
- There will be no access to my toilet for now.
- My room is large enough for us to maintain a 2-metre distance at all times.
- I will open the doors for you once it is time for you to leave.

**Please note:** I will not be doing hands-on healing at the moment but will do non-contact distant healing in the room with you.

**Track & Trace:** Please be aware that should you or I be subject to a Track & Trace procedure either of us may have to release the other's contact details to the authorities. This means that our confidentiality would be broken. We agree to let each other know if this process becomes necessary.

Please sign here to confirm your agreement to all points listed in this protocol:
